

## FINAL WEEK CHALLENGE!

So here we are...at the end of the school year, St James! You should all be very proud of your hard work and perseverance over the year, especially during the past few months. As things are a little bit different this year, we thought it would be good to mark this by a 'Final Week Challenge'. Your challenges will be shown on your Class web page as a celebration of the end of the year!

Choose from ONE of the following challenges:

- "Happy Holidays" video message to your Classmates
  - Goodbye letter to your current teacher
  - Poem describing your year
  - Portrait of your Class or Class mascot
  - Thank you card to someone in your class
