

Dear Applicant,

Thank you for your interest in the post of Class Teacher. I am delighted to attach the application pack and hope, that after consideration, you wish to apply for this post at our school.

The following information may help you to make a positive decision about applying for this position at our school. Please read the information carefully. Our school is a rewarding place to work with a very supportive staff.

St James' C of E Primary School is located in a cul de sac just off Wilmslow Road close to Platt Fields Park and adjacent to the old Hollings Faculty of Manchester Metropolitan University, the famous landmark building known as the Toast Rack.

**Through a process of strategic school improvement our leadership team, staff and governors have worked hard to achieve and sustain improvement. Our school is graded by Ofsted (October 2017) as 'Good' who found that children said they "really enjoy coming to school" and that the staff "care deeply about their pupils, saying: 'We treat them like our own children.'"**

Our team are working hard to sustain our improvement and further develop to ensure the best outcomes for our children, of whom, we are very proud. We are committed to securing the best outcomes for all members of the St James' community – children, parents, staff, governors, and the local community. Our ambition is to become outstanding, both in the Ofsted sense and on our own terms. As a school we want to continually ask ourselves "How can we make things better?" and we want new members of the team to be asking themselves the same thing.

We currently have 230 pupils on roll and are a one form entry school with a 26 place Nursery class. Our children come from a variety of backgrounds, religions and cultures. More than three quarters of our school population come from ethnic minority backgrounds and the percentage of our pupils who have English as an additional language is well over half the national average.

Our school is a supportive and rewarding place to work. Development for all is highly regarded at St. James' and we believe strongly in nurturing and supporting staff in the same way that we do the children. We can offer the successful candidate an enjoyable work place with highly trained supportive staff as well as a commitment to your own continued professional development.

Yours faithfully,

Gavin Shortall
