At St James' C of E Primary School we believe in the concept of the learning community and lifelong learning. Through our teaching we aim to equip children with the skills, knowledge and understanding necessary to become independent learners, with the ability to make informed choices about the important things in their lives. We believe that appropriate learning and teaching experiences help children to continue to develop and explore their potential.

## **1. Introduction**

1.1 Regular school attendance is essential if children are to achieve their full potential.

1.2 St James' C of E Primary School believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who are able to realise their full potential and make a positive contribution to their community.

1.3 St James' C of E Primary School values all pupils. As set out in this policy, we will work with families to identify the reasons for poor attendance and try to resolve any difficulties in a trauma-informed, inclusive manner.

1.4 St James' C of E Primary School recognise that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on admissions, safeguarding, anti-bullying, child protection, safeguarding and behaviour and inclusive learning. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

## **2. Legal Framework**

2.1 Legal proceedings are a statutory intervention used by the local authority against the parents of registered pupils who fail to attend regularly at school. Parents whose children are on a school register and fail to ensure the regular and punctual attendance of their child(ren), may be guilty of an offence under Section 444(1) or 444(1A) of the Education Act 1996 and the authority may take enforcement action through the courts to secure regular attendance.

2.2 Legal proceedings are not used as a punishment to parents for their pupil's absence from school; they are a supportive measure intended to make parents realise the importance of attendance and to avoid further absence from school.

2.3 Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A prosecution can take place against any person who has parental responsibility for the child's education or who has care of the child. Parents have a legal duty to make sure that their children are properly educated. It is the parent's responsibility to ensure that their children attend school regularly and arrive on time. If you allow your

child to be absent from school without good reason, the school will not authorise the absence, you may be committing an offence, and you could be issued with a penalty notice or prosecuted.

2.4 A child is of Compulsory School Age at the beginning of the term following their 5<sup>th</sup> birthday. A child ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16.

2.5 Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement.

2.6 The Education (Pupil Registration) (England) Regulations 2013, require schools to take an attendance register twice a day, once at the start of the morning session and then again during the afternoon session.

2.7 The register must record whether the pupil was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances.

### **3. Safeguarding**

3.1 Every pupil should be able learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.

3.2 Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents/carers. Safeguarding is about offering early help and support to children and families and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties within the family. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places a child at risk of harm.

3.3 Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses: Attendance, Behaviour Management, Health and Safety, Access to the Curriculum and Anti- bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.

3.4 More information on safeguarding and the protection of children can be found in the schools Safeguarding and Child Protection Policy.

3.5 In order to allow us to safeguard the children in our care it is important that parents and carers provide the school with their current contact details and provide at least three other contact numbers in case of emergency.

3.6 It is also important for parents inform the school of any specific vulnerability in relation to their child or home circumstances.

#### **4. Categorising absence**

4.1 Where pupils of compulsory school age are recorded as absent, the register must show whether the absence is authorised or unauthorised.

4.2 Absence can only be authorised by the Headteacher/Executive Headteacher/Head of School and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

4.3 Parents must advise the school by telephone on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carer, though verbal explanations may be acceptable where this is considered appropriate.

4.4 Absence will be categorised as follows:

4.4.1 Illness Parents may be asked to provide medical evidence to allow the head teacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.

4.4.2 Medical/Dental Appointments Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents must show the appointment card to school.

4.4.3 Other Authorised Circumstances This relates to where there is cause for absence due to exceptional circumstances.

4.4.4 Excluded (No alternative provision made) Exclusion from attending school is counted as an authorised absence. The child's class teacher will make arrangements for work to be sent home.

4.4.5 Pupil is absent due to circumstances related to COVID-19 This category must be used to record sessions that take place in the 2021 to 2022 academic year where a pupil does not attend because their travel to, or attendance at, school would be:

- contrary to guidance relating to the incidence or transmission of COVID-19 from Public Health England (PHE), or its successor UK Health Security Agency (UKHSA), and/or the Department of Health and Social Care (DHSC)
- prohibited by any legislation (or instruments such as statutory directions) relating to the incidence or transmission of COVID-19

4.4.6 Religious Observance St James' C of E Primary School acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence.

4.4.7 Traveller Absence It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible.

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1996, section 444(6), states that a Traveller parent is safe from prosecution if their child accrues 200 attendances (i.e. 200 half days) in the year preceding the absence. This applies only when the family proves it is engaged in a trade or business that requires it to travel and when the child is attending school as regularly as that trade permits.

When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

St James' C of E Primary School will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at St James' will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

St James' C of E Primary School can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:

- advise of their forthcoming travelling patterns before they happen; and
- inform the school regarding proposed return dates

St James' C of E Primary School will authorise absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

- The child is on roll and attending another visited school
- Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service
- The child is undertaking computer based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be

investigated in the same way as that for any pupil and appropriate statutory action may be undertaken.

4.4.9 Late Arrival Registration begins at 9.00am, pupils arriving after this time will be marked as present but arriving late. The register will close at 9.30am (*no more than thirty minutes after the opening of the register*) pupils arriving after the close of register will be recorded as late, (code U) this is not authorised and will count as an absence for that school session and statutory action may be taken where appropriate.

On arrival after the close of register, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as **unauthorised** if the pupil has arrived late without justifiable cause.

4.4.10 Unauthorised absence - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the Headteacher/Executive Headteacher/Head of School.

Examples of unsatisfactory explanations include:

- A pupil's/family member's birthday
- Shopping for uniforms
- Having their hair cut
- Closure of a sibling's school for INSET (or other) purposes
- "Couldn't get up"
- Illness where the child is considered well enough to attend school
- Family holidays
- Parents who need to take their child out of school during term time due to exceptional circumstances must send a written request to the head teacher. Retrospective requests will not be considered and therefore will result in the absence being categorised as **unauthorised**.

4.5 All requests for leave of absence will be responded to in writing outlining the conditions of leave granted.

4.5.1 If a pupil fails to return and contact with the parents has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

4.5.2 If the permission to take leave is not granted and the parent takes their child out of school the absence will be **unauthorised**. In such cases the school may request the local authority issue a Penalty Notice or consider other legal sanctions including prosecution in the magistrates court.

## **5. Deletions from the Register**

5.1 In accordance with the Education (Pupil Registration) (England) Regulations 2013, pupils will only be deleted from the register when one of the following circumstances applies:

- The school is replaced by another school on a School Attendance Order
- The School Attendance Order is revoked by the local authority
- The pupil has ceased to be of compulsory school age

- 20 days continuous unauthorised absence and both the local authority and school have tried to locate the pupil
- Left the school but not known where he/she has gone after both the school and the local authority have tried to locate the pupil

5.2.1 St James' C of E Primary School will follow Manchester City Council's Children Missing Education Protocol when a pupil's whereabouts is unknown.

## 7. Using Attendance Data

7.1 Pupil's attendance will be monitored and may be shared with the Local Authority and other agencies if a pupil's attendance is a cause for concern.

7.2 Every month The Office Administrator will provide the leadership team with attendance data for the previous four weeks for each pupil within the school, set out in classes. The list will be presented in numerical descending order with the highest attenders at the top; every pupil will be colour coded as indicated below:

<b>GOLD</b>	<b>pupils with attendance between 100% and 97%</b>
<b>GREEN</b>	<b>pupils with attendance between 96.9% and 94%</b>
<b>AMBER</b>	<b>pupils with attendance between 93.9% and 90.1%</b>
<b>RED</b>	<b>pupils with attendance below 90%</b>

7.3 An arrow next to the pupil's name will indicate if their attendance has improved, stayed the same or deteriorated.

7.4 Class teachers will receive a copy of this data where appropriate.

7.5 This pupil level data will be used to trigger school action as set out in the escalation of intervention (Appendix 1).

7.6 Attendance data will also be used to identify emerging patterns and trends to inform whole school strategies to improve attendance and attainment.

7.7 St James' C of E Primary School will share attendance data with the Department for Education and the local authority as required.

7.8 All information shared will be done so in accordance with the Data Protection Act 1998.

## **8. Support Systems**

8.1 We recognise that poor attendance is often an indication of difficulties and trauma in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required. It is expected that the child and their family work collaboratively with school to identify the anxiety based school avoidance resources most appropriate for support and to accept the support that is offered or advised.

8.2 St James' C of E Primary School also recognise that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and looked after children.

8.3 The school will implement a range of strategies to support improved attendance. Strategies used will include:

- Discussion with parents and pupils
- Attendance panels
- Parenting contracts
- Attendance report cards
- Referrals to support agencies
- Learning mentors
- Pupil Voice Activities
- Friendship groups
- PSHE
- Anxiety-based attendance avoidance materials
- Trauma-informed approaches
- Early help referral options
- Family learning

- Reward systems
- Time limited part time time-tables
- Additional learning support
- Behaviour support
- Inclusion resources
- Reintegration support packages

8.4 Support offered to families will be child centred, trauma-informed and inclusive; planned in discussion and agreement with both parents and pupils.

8.5 Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, St James' C of E Primary School will consider the use of legal sanctions.

## **9. Legal Interventions**

9.1 Prosecution Where intervention fails to bring about an improvement in attendance, the Local Authority will be notified and legal action in the Magistrates' Court may be taken. The school will provide the Local Authority with evidence required for a prosecution under Section 444 of the Education Act 1996 and will appear as a prosecution witness if required by the court. This is to ensure that parents realise their own responsibilities in ensuring attendance at school and most importantly about returning children to education.

9.1.1 Section 444 of the Education Act 1996 states that if a parent fails to ensure the regular school attendance of their child if he/she is a registered pupil at a school and is of compulsory school age, then they are guilty of an offence.

9.1.2 A parent found guilty of this offence can be fined up to £2500 and or be imprisoned for a period of up to three months.

9.1.3 Alternatives to Section 444 prosecution are Parenting Contracts, Penalty Notices or an Education Supervision Order.

9.2 Parenting Contracts (Anti Social Behaviour Act 2003) A Parenting contract is a voluntary agreement between school and the parent, it can also be extended to include the child and any other agencies offering support to resolve any difficulties leading to improved attendance.

9.2.1 The contract will outline attendance targets and will detail agreed actions that will help to achieve the target. The contract will be reviewed regularly.

9.2.2 The contract can be used as evidence in a prosecution should parents fail to carry out agreed actions.

9.2.3 Parenting Contracts will be used in accordance with Manchester City Council's Parenting Contract Protocol.

9.3 Penalty Notices (Anti Social Behaviour Act 2003) Penalty Notices will be considered when:

- A pupil is absent from school and the absence has not been authorised by the school
- A pupil has accrued unauthorised absence without reasons provided and/or accepted as exceptional by the Headteacher/Executive Headteacher/Head of School.

9.3.1 A Penalty Notice gives the parent the opportunity to discharge themselves of their legal responsibility if a £120 fine is paid within 28 days, reduced to £60 if paid within 21 days of the date the Notice was issued.

9.3.2 Failure to pay the Penalty Notice may result in a prosecution under Section 444 of the Education Act 1996.

9.3.3 Penalty Notices will be used in accordance with Manchester City Council's Penalty Notice Protocol.
